ERO NEWS 37

Dear ERO members,

Together with the ERO Board I would like to extend our heartfelt gratitude to all the esteemed delegates for their active participation and valuable contributions at the recent ERO Plenary Session. Your dedication and insights have truly enriched our discussions.

A special note of appreciation goes out to our hosts from the Cyprus Dental Associations for their warm hospitality and meticulous organization, ensuring a seamless and productive experience for all attendees. Thanks also go to the sponsors who supported the event.

The ERO PS took place in Limassol on 26/27 April 2024, gathering 51 delegates, 17 alternates and 8 guests, all passionate individuals from diverse backgrounds. Together we had fruitful discussions and exchanged ideas. The plenary session always offers the opportunity to make new contacts and deepen existing ones, whether during the breaks or at the various social events.

During the event, a Board meeting and a meeting of the Board with the Chairs of the Working Groups was held, further enhancing collaboration and alignment towards our common goals. The working groups also held their meetings on Friday morning.

We're pleased to announce that all pertinent documents from the event are now available on our website [Limassol 2024 - European Regional Organisation of the Fédération Dentaire Internationale \(erodental.org\)](https://erodental.org) for reference and continued engagement.

Once again, thank you for your unwavering commitment to advancing our shared mission. Your dedication is truly inspiring, and we look forward to our continued collaboration and success together.

Warm regards,

Simona Dianiskova, ERO President
