

## **Regional European Organisation of the FDI**

### **National Report on the activities of 2024**

**Country:** Croatia

**Association:** Croatian Dental Chamber

#### **Changes**

*No significant changes in 2024.*

#### **Trends and developments:**

*Croatian Dental Chamber organized over 30 hands-on courses and workshops in our Academy. Throughout those professional events, the Chamber educated more than 500 its members.*

#### **Corporate Dentistry**

*Currently, there is no legislation concerning dental chains. However, CDC is in communication with its members regarding all the pros and cons regarding dental chains. Also, the general opinion is that it is necessary to determine professional liability within the dental chain. Professional conducts must be connected to the health professional who provided the service.*

*Information regarding the promotion of World Oral Health Day:*

*In 2024, Croatian Dental Chamber celebrated WHO through providing important information within the magazine Smile (which is a magazine for dental patients published by CDC).*

*Further information (activities):*
